

## ENVIRONMENTAL ASSESSMENT/INFRASTRUCTURE PROJECTS

### APPLICATION FOR PERMIT RE-ISSUANCE FOR DEVELOPMENT, INTERFERENCE WITH WETLANDS AND ALTERATIONS TO SHORELINES AND WATERCOURSES (Pursuant to Ontario Regulation 166/06)

To be eligible for a permit re-issuance, written confirmation that the project is unchanged and the plans/documents detailing the works are identical to those stamped approved by TRCA as part of the original permit is required. Where minor modifications are proposed that are in keeping with the original permit, a cover letter detailing the modifications and new plans/documents must be submitted. In addition, property ownership, as per the original permit, must remain the same. A permit may only be re-issued one time.

Please read, complete each section as required, date and sign this application.

**Notes:**

1. By signing this application, consent is given to TRCA, its employees and other persons as required by TRCA, to access the property for the purpose of inspection, obtaining information, and/or monitoring any and all works, activities and/or construction pertaining to the property in addition to the works as approved under cover of any permit issued by TRCA.
2. Permits granted by TRCA are not transferable and are issued to the proponent.
3. Permits granted by TRCA do not replace building permits or any other permits or approvals issued through municipal offices or other levels of government. A permit under Ontario Regulation 166/06 does not constitute TRCA approval of any related *Planning Act* applications. Separate approval of all related applications must be obtained from the respective agency and TRCA.
4. TRCA permits (including re-issued permits) are valid for a period of two years from the date of issue.
5. It is the responsibility of the proponent to ensure that a valid permit is in effect at the time the work is occurring.
6. If revisions to the design of the project are required subsequent to the re-issuance of a permit, plans/documents reflecting the changes must be submitted to this office for further review and approval prior to undertaking the redesigned works.

**Permit Review Procedures**

TRCA staff will assess your application to determine whether the proposed works will affect the control of flooding, erosion, dynamic beaches, pollution, or the conservation of land in accordance with TRCA's programs and policies. Approvals associated with re-issued permits will be forwarded to TRCA's Executive Committee for information purposes.

**Notice of Collection**

Pursuant to the Municipal Freedom of Information and Protection of Individual Privacy Act, the personal information contained on this form is collected under the authority of the *Conservation Authorities Act*, c27.
